The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding in fiscal year 2024 for the North Moraine Wastewater Reclamation District (NMWRD) Multi-Phase Holiday Hills Wastewater Project. The entity to receive funding for this project is the North Moraine Wastewater Reclamation District located at 113 Timber Trail, Island Lake, IL 60042.

The funding will be used for the next phase of construction to create centralized wastewater for 108 homes in the Village of Holiday Hills. This project is an appropriate use of taxpayer funds because it will provide safe sanitation for an unsewered community built in a flood plain preventing sewage from entering the Fox River, keeping drinking water safe and improving quality of life.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster  
Member of Congress
